

SUB HUNTER

Undersea Warfare from the Skies

April 20, 2024

11 AM Lecture

**CDR Jamie French
USN**

**Executive Officer
Naval Weapons Station
Seal Beach**

Coming May 18th

**The 62nd Annual Torrance
Armed Forces Day Flight
Line Review and Parade
Flyovers**

Join us to hear Commander Jamie French describe the role of the Anti-Submarine Helicopter in patrolling the deep. Participate in the tension and skill required to maintain the technological concentration required of these systems in high winds, turbulent seas, and pitching decks, on the destroyers on which the pilots need to recover after each mission.
